# APRON·HUB

Techno-Aide's revolutionary **FREE** lead tracking system. Now with built-in SmartID® data import capability!

## WEB-BASED ACCESS

All you need is a free login and internet access! No specialty software required. Quickly and easily access apron data from virtually any device when and where you need.

## UNIVERSALLY COMPATIBLE

No proprietary hardware required to track and manage your inventory. Built to work with virtually any QR/barcode scanner!

## ACCOUNT CUSTOMIZATION TOOLS

Fully customize employees and locations as you need! Setup, change, delete and manage employee access and facility and health system locations at any time. Quickly assign or reassign inventory to specific locations and employees as needed.

## CUSTOM REPORTING

Filter and export inventory reports right in Apron Hub! Create data reports as broad or as narrow as needed. Quickly export, save, and print customized reports directly through the Apron Hub platform.

## ONE-OF-A-KIND MASS IMPORT

Facilities of any size can quickly and easily mass import inventory data directly through the user portal. Apron Hub now features a unique SmartID import tool. No need to manually copy data, immediately import SmartID inventory with our automated mapping tool!

## INDUSTRY FIRST DIGITAL RETAGGING

Apron Hub now features an industry first digital retagging tool built right into each product page. Completely skip the time and headache of retagging aprons by using the built-in QR/UPC association tool to link ANY existing QR/UPC tag to an Apron Hub product page!

## CLOUD-BASED SECURITY

All Apron Hub data is safely and securely stored on redundant cloud storage drives for top tier reliability. Built to scale for growth as needed no matter the facility or health system size.

## NO COSTS... *EVER!*

Techno-Aide proudly offers Apron Hub as a free service with no features locked behind paywalls or purchasing agreements. Simply sign-up for a free account at any time and start using all Apron Hub services today, *no strings attached!*
